Dear Parents/Guardians of Juniors and Seniors:

In accordance with proposed Board of Education policy, a Directory of Student Information consisting of names, addresses and phone numbers of all juniors and seniors will be established each school year. This information will be released upon request to educational, occupational and military recruiters unless we receive written instructions from a parent or an adult student advising us they wish to be excluded from this directory. The basis for this request is the **No Child Left Behind Act of 2001**. This act also allows parents and secondary students the right to choose not to be included in such a directory.

If you wish to be excluded from this directory, you must sign, date and return the bottom half of this letter to Jefferson Township High School by September 30, 2007. If your request is not received by September 30, 2007 our child's information will be added to the compiled list.

Please sign and return this portion of the form to the Principal's Office at Jefferson Township High School by September 30, 2007

I DO NOT WISH TO BE INCLUDED IN THE STUDENT DIRECTORY MADE AVAILABLE TO EDUCATIONAL, OCCUPATIONAL AND MILITARY RECRUITERS:
