## Parking is a Privilege

Parking is a senior privilege and is **NOT** a senior right. Attempts are made to give each requesting senior a parking permit. Seniors will only be allowed to park in their numbered assigned spots in designated areas. Student parking permits are designated by color and correspond to numbered spaces. Please follow the guidelines listed below.

There are many juniors who request parking permits and are consistently denied. Please do not give them the opportunity to obtain a parking permit by losing yours. Keep your vehicle locked at all times to prevent any theft from occurring. **DO NOT** allow another student to use your parking permit, whether they be juniors or seniors. In the event that you do, your **parking privilege will be revoked!!!**

## Parking Guidelines

- 1) Drive safely on campus – listed below are violations that may result in you losing your parking privilege for a specified time period to be determined by the High School Administration:
  - Reckless Driving
  - Driving too fast
  - Parking on or over curb
  - Blocking a gate or entrance way
  - Parking in an unauthorized area or parking space
  - Allowing another student to use your parking permit
  - Outstanding student obligations
- 2) Your permit must be properly displayed on the **back of the rear view mirror** of your vehicle. This will allow it to be viewed through the front windshield. If you purchase a new car, you need to submit the proper information **prior** to driving your new vehicle to school. Your original permit will be transferred to the new vehicle.
- 3) Seniors must arrive and park prior to 7:15 a.m. If you are running late, you will not have access to the parking area until after 7:30 a.m.
- 4) Do not park in any area other than the one that has been assigned to you.
- 5) After parking your car, enter the school by using the designated entrance for your parking area:
  - Lower Lot (A) – Use entrance near the band room
  - Senior Lot (B) – Use entrance near the bridge between the Middle and High School
  - Weldon Road – Use main entrance
  - Tennis Courts – Come down the hill unless there is inclement weather. If inclement weather, follow Mr. O'Connor's directions to go through the Middle School and proceed to the High School. You will be issued a pass that must be carried at all times.
- 6) Lateness to homeroom will indicate that you cannot handle the responsibility of driving and reporting to school on time. As the Jefferson Township High School Handbook indicates, a student that is chronically late will lose their parking permit.
- 7) Please refer to the 2008-2009 JTHS agenda book regarding the loss of parking privileges due to behavioral violations.

Thank you for your anticipated cooperation.
