Dear Freshmen Students:

Welcome to JTHS! Please allow us to take this opportunity to introduce ourselves to you as your school counselors. We are looking forward to working with you this year, and will make every effort to try to see that you receive as much personal assistance as you need.

Over the next four years of your high school experience your assigned counselor will be meeting with you to plan your high school academic program and to assist you in developing post-graduation goals. We are also available to meet with you to discuss individual concerns and to answer questions you may have. Please don't hesitate to stop by, call or email.

Working together helps to ensure success in school, the community, and life in general. We wish you much success in this school year.
