DEVELOPING INDEPENDENCE

JEFFERSON TOWNSHIP SCHOOLS

SEPAG MEETING

Special Education Parent Advisory Group

Yes! Your child can work! This presentation will offer strategies and tips for developing independence and getting the most out of school age services to better prepare individuals for adult supports. Guest Speaker Adam Kubler of The Arc of New Jersey will be explaining the adult employment support world and how that works. Join us on Tuesday, February 15th at 6:30pm to find out more.

What is SEPAG?

The SEPAG is an advisory group that is state-mandated, district-level, and parent driven charged with providing input to the local school district on system-level challenges in special education and related services. It is a collaboration and partnership with the district to better improve services in special education.

What SEPAG is not...

It is not an advocacy assistance group, a support group, or a special education parent teacher organization.
