ACCESSING SERVICES &
NATURAL SUPPORTS

JEFFERSON TOWNSHIP SCHOOLS

SEPAG MEETING

Special Education Parent Advisory Group

What are Natural Supports? Natural supports are the relationships that we have every day in our lives. They can be unpaid, informal, and ordinary relationships. Relationships are with people that are foundational, those that we share interests or hobbies with or those that provide a service. Everyone has a right to be involved in their community. There are many supports for people with disabilities to help them do just that. Join us on Tuesday, March 15th at 6:30pm for a presentation from The Arc of New Jersey.

What is SEPAG?

The SEPAG is an advisory group that is state-mandated, district-level, and parent driven charged with providing input to the local school district on system-level challenges in special education and related services. It is a collaboration and partnership with the district to better improve services in special education.

What SEPAG is not...

It is not an advocacy assistance group, a support group, or a special education parent teacher organization.
