- Stay organized and keep track of **deadlines**
- Carefully review the **scholarship criteria** outlined before applying, then triple check the application for completion prior to submitting
- Keep in mind **NOT** every scholarship is looking for the highest GPA or students who are college bound
- Check to see if local businesses, civic, professional groups and even your parents/guardians’ jobs give out awards to students in the communities (**scholarships are all around you!**)
- Typically, colleges consider students’ **merit** at the time of application, but double check
- Be aware of SCAMS! Check **trusted scholarship websites** like:
 - raise.me, fastweb.com, chegg.com, finaid.org, collegeboard.org, cb.org/opportunity
- **Scholarship money** is typically sent directly to the office of financial aid at the college of attendance
