## *In-District School Counseling Services*

---

Jefferson Township Public Schools has partnered with Tri-County Behavioral Care to offer on-premise individual counseling sessions. As a district, we understand the importance of providing mental health services to improve and develop the well-being of your child and now it is conveniently offered during the school day.

Parent/Guardian:

Contact TCBC to begin the New Patient Information Enrollment

Please **CALL: 973-691-3030 ext. 1 (Monday-Friday 9am-5pm)**

*If our Intake Coordinator is not available when you call, please leave a voicemail message identifying that you want to schedule an appointment at **Jefferson Township Public Schools Satellite Office**. We will return your call to schedule the appointment.*

Insurance/Billing:

All Insurance Accepted

All billing arrangements and insurance verification will be coordinated through TCBC upon New patient Information Enrollment.

It is the client's responsibility to cover any co-pays or co-insurance payments.

Please contact your insurance carrier to review your Mental Health benefits.

Patient Information Forms:

TCBC Intake Coordinator will gather patient information along with insurance information

TCBC Intake Coordinator will send a Google Form to be signed by parent for Authorization To Release Information between Tri-County Behavioral Care therapist and the School District.

An appointment will then be scheduled by the on-site school therapist.
