Dear Parent/Guardian:

Your child \_\_\_\_\_ has been selected to participate in the Jefferson Township District Title I Supplemental Program during the 2024-2025 school year. The Title I Program is a Literacy and Math Intervention Program designed to support identified students by monitoring each child's academic progress and providing your child with an individualized instruction plan. Placement in the program is based on multiple measures including but not limited to report card grades, results of school-based assessments, NJSLA results, and teacher recommendation. He/she will receive remediation in:

\_\_\_\_\_ Language Arts Literacy

\_\_\_\_\_ Math

The students who participate in this program are not singled out, labeled or identified in any manner.

We urge you to keep in close contact with your child's teacher to discuss their progress. With our combined effort, he/she will become the successful student for which we are both striving.

If you have any questions, please feel free to contact your building principal.

Sincerely,

Principal
