Instructional Technology Newsletter

1-1 Initiative

The students in Grades 6-12 now have their own laptop. Mrs. Miskimon's class is working in Google Classroom.

IMG_0636.MOV

Mrs. Johnson's students love using their new computer seats while working on Google Slides together.

Mrs. Lamonica's students are working hard on vocabulary using Membean and Mrs. Guagenti's students are highlighting parts of their narrative writing piece.

Digital Creativity

Mr. Smith's students are utilizing the green screen for a presentation about the first colonies in America.

Linkit!

Grades 1-11 just finished Form A – 1st benchmark. Please check out the data and let me know if you need assistance reviewing it. Form B is in January!

Remember to use Prime for your assessments. Submit tests and answer keys to prime.linkit.com.

Please remember to **deactivate** the code of a test that is being given to your students after the session or class is over. **ONLY** post the code for the particular class that needs to take the assessment.

High School and Middle School teachers, please use the second student verification for signing into an assessment. It assigns each student a personalized ID that needs to be entered.

Typing Practice for State Test

- Elementary - <http://jefftwp.typinginstructorkids.com>
- MS & HS - <https://www.typing.com/>

Makerspace is BACK!

The makerspace rooms are now open. Please stop by to sign up for a time slot to create, explore and design. Check with your school's media specialist for assistance.

Helpful Information!

Actively Learn

Check out the free options on www.activelylearn.com for stories, passages and articles with questions embedded for students.

Read & Write iPad app is available!

Classroom Management Tool

Use your Smartboard to allow students to monitor their noise level. <https://bouncyballs.org>

Create your own Post-it-Notes

<https://www.weareteachers.com/printing-on-post-its/>

Equipment & Software

Budget time is approaching quickly. Please let me know if there is something you need or want for the 19-20 school year. Don't wait until it is too late. Contact me if you need any microphones, headphones, mice, etc. for this year!

Reminders to Teachers

Resources are located:

1. All Staff Drive Technology 2018-2019
2. <http://www.jefftwp.org/domain/29>

Highlights

- K-8 is using Spelling City for center time!
- Students are checking out books without assistance and signing into the Media Centers electronically!

- Mrs. Decker's class is using www.prodigygame.com for Math review.
- Mrs. Olsen is using Seesaw with her class this year.
- Ms. Tomo's students love using the OSMO.
