This school calendar provides for 186 days, which satisfies the State minimum of 180 days and allows for up to six emergency closing days. If additional school days must be scheduled, they will be made up as follows: April 18th-22nd beginning with the 22nd, and June, beginning with the 27th. Any remaining emergency closing days unused by April 1st may result in a revised calendar. Please note that one unused emergency closing day will remain in the calendar. **Employees making vacation arrangements during the above dates do so at their own risk.**
