

JEFFERSON TOWNSHIP PUBLIC SCHOOLS EMPLOYEE BENEFITS NEWS • FEBRUARY 2022

JULY 2021 - DECEMBER 2021 OUT OF NETWORK CLAIMS

If you had out-of-network claims during the period July 2021 through December 2021 and paid excess out-of-pocket expenses related to those claims, please reach out to Diane Conway (dconway@bbmetro.com) from Brown & Brown for assistance. Diane can assist you with contacting Horizon to reprocess the claims so they accurately reflect any out-of-network expenses that were incurred for the first half of 2021 under Aetna.

LIFE-CHANGING EVENTS

If you experience a qualifying event, such as marriage, divorce, the birth of a child, etc., please notify Manal Fouad (mfouad@jefftwp.org) within 60 days of the event. If you don't report the event within 60 days, you will not be able to make any changes to your benefits until the next Open Enrollment period.

CHANGES IN COVERAGE FOR EMPLOYEES WHO WAIVE BENEFITS

If you waive medical benefits and experience a change in your health care coverage, please notify Manal Fouad (mfouad@jefftwp.org) as soon as possible. This will allow any waiver payment adjustments to be made in a timely manner.

FEBRUARY 2022 PREMIUM HOLIDAY

As you may know, the School Employee Health Benefit Plan "SEHBP" Commission voted on August 5, 2021, to approve a contribution "holiday" in February 2022. Employees enrolled in the SEHBP are not required to make a contribution toward medical health coverage for the month of February 2022. As a result, employee benefit contributions will be greatly reduced for 10-month employees or eliminated for 12-month employees for the February 15th and February 28th pay cycles. Ten-month employees will see a reduced amount related to the required contribution for July & August coverage that is collected pro-rata throughout the school year.
