

# Inclusion and Support Services Monthly Speaker Series

## In honor of Better Speech and Hearing Month Cultivating Social Skills For Children At Home

Monday, May 23 • 7:30 - 8:30 p.m.

Review what social skills/ pragmatic language skill are, learn strategies for how parents can cultivate and support social skills at home for their children (all ages) and get activity ideas for practicing these strategies.

Jessica Maldarelli has over seven years of experience providing speech and language therapy to children with special needs in a variety of settings, including schools, daycares, home care, early intervention, and clinics. She has worked with individuals with various challenges. She promotes positivity and creativity in her practice, as well as collaboration with a patient's team of caregivers and other professionals to achieve best outcomes in therapy.
