SEPAG MEETING

Special Education Parent Advisory Group

Your Jefferson Township SEPAG is pleased to announce that our first meeting of the 2021-2022 school year will have two areas of focus. First, we will be introducing you to our district's Director of Special Services, Juceyka Figueroa, and our district-wide Special Education Behaviorist, Kathryn Pietrowski who will be bringing their experience, knowledge and valuable insight on the Special Services program to the table in an effort to educate our community. Second, we will discuss what a Positive Student Profile is and how to craft one to go into your child's IEP so that it highlights your child's individual strengths. Please join us on **Tuesday, September 21st at 6:30pm to learn and ask questions about what Jefferson Township has to offer our children.**

What is SEPAG?

The SEPAG is an advisory group that is state-mandated, district-level, and parent driven charged with providing input to the local school district on system-level challenges in special education and related services. It is a collaboration and partnership with the district to better improve services in special education.

What SEPAG is not...

It is not an advocacy assistance group, a support group, or a special education parent teacher organization.
