Dear Parents:

Welcome back! We are anticipating another successful year transporting our students to Jefferson Township Schools. To that end, it is important that parents should familiarize themselves with the transportation rules. At the same time, the importance of these rules should be stressed to your child, not only for his/her own safety, but to protect the lives of all students riding the school bus. In addition, please remind your child that they are responsible for the seat they are assigned to on the school vehicle. If they see damage to their seat, please report it to the driver immediately.

This information can be accessed through the Jefferson Township Public Schools website at www.jefftp.org, under "Transportation Department" in the Quick Links section on the left side of the District Home Page. Safety is a matter of teamwork and requires the constant support and attention of the bus drivers, parents, and pupils, as well as the personnel at the schools.

Thank you for taking the time to review the transportation rules on our website and your continued cooperation in the safe transportation of our students. If you have any questions, you can reach us at (973) 663-5785, FAX (973) 663-5004, or email vsanchez@jefftp.org.

Sincerely,

Vanessa Sanchez
Transportation Supervisor
