

Jefferson Township Education Foundation

Dear Parents,

Times are tough for all of us right now. As you are aware, there have been major cuts to our school budgets over the past several months. These cuts, combined with the pandemic, have tremendously eaten into programming budgets. Our goal is to support our students on their educational journeys, and we want to help our schools obtain funding for programming for your children and their teachers. **But we can't do it without your help.**

With that in mind, we are reaching out to you – our parents - for help contacting your employers for corporate donations and sponsorships. Please reach out to your employers to donate or sponsor, they will be more willing to donate to you, and some larger companies may already have a charitable giving program in place. And, since the JTEF is a 501(c)3 charity, your employer's contribution will be classified as a charitable donation, allowing for the maximum tax write-off.

With your help, we can cover a lot more territory, and would have a much better and bigger impact on what we can do for your children. If your employer is interested in making a donation or becoming a corporate sponsor, please contact us at jtefinfo@gmail.com.

On behalf of the Jefferson Township Education Foundation, the students, and our teachers, we sincerely thank you for your efforts! **Together we CAN make a difference!** If you are not a member of the Jefferson Township Education Foundation, we encourage you to join at JTEF.org.
