

Family Membership Form

The Jefferson Township Athletic Association is dedicated to all student athletes. We are a parent-sponsored organization that raises money to enhance all of the student athletes' sport experiences here at JTHS.

Please help to support your student athlete through JTAA membership dues and by volunteering your time each year. The annual family membership fee starts at \$25 per year. All dues received go directly to the scholarship fund, and to help to purchase flowers for the seniors at their respective sport's "senior night". JTAA's goal is to provide scholarships to all senior athletes of JTHS. Fundraising is also done through various avenues including food concessions, donations, and 50/50 raffles. Along with your paid membership during your athlete's senior year, your child will be our guest at the Senior Awards banquet held in June where the senior athletes receive special recognition awards along with a commemorative blanket celebrating their high school career, and your student athlete will be eligible to receive one of the many scholarships awarded by JTAA.

Parents: For your senior athlete to receive a JTAA scholarship, he/she **MUST** submit a scholarship application (which is located in the guidance office or in Naviance). Your child can be awarded a scholarship for their participation on a Jefferson Twp High School sports team and is based on 1) his/her high school sports accomplishments, 2) the number of years your family is a paid member, and 3) your volunteerism each year.

**\*\*Note: If your senior athlete applied for a scholarship, he/she must attend the banquet in its entirety to receive the scholarship and commemorative blanket to be handed out at the end of the evening.**

High school sports participation/volunteerism will be credited towards the scholarship during the year(s) your family is a paid member of JTAA. Each year your family joins JTAA, and each time a family member volunteers during those years, will count towards increasing your child's scholarship when they are a senior. (If you are only a member during senior year, there is only one year of membership/volunteering to count towards the scholarship. If you are a member and volunteer in grades 9-12, there are four years to count).

Please fill out the section below, and make check payable to JTAA. Mail to:  
JTHS Athletic Association, P.O. Box 451, Lake Hopatcong, NJ 07849

**Seniors: Membership form  
and payment due by  
February 1<sup>st</sup> to be eligible  
for a scholarship.**
