

LET'S TALK

Behavioral Supports

JEFFERSON TOWNSHIP SCHOOLS

SEPAG MEETING

Special Education Parent Advisory Group

Challenging behaviors can affect how students learn as well as how they interact socially with others. Behavioral supports incorporate a wide range of services which are meant to assist those receiving them. Without these supports, behavioral, social or emotional issues may arise. Behavioral supports and services help with an individual's challenging behavior and to identify what needs are being communicated in order to enhance the individual's independence and inclusion in his/her school and community settings.

Join us on Thursday, February 16th at 6:30pm at the BOE Building or on ZOOM along with presenter, and Districtwide Behaviorist, Kathryn Pietrowski from the Jefferson Township School District as we discuss the topic of Behavioral Supports.

What is SEPAG?

The SEPAG is an advisory group that is state-mandated, district-level, and parent driven charged with providing input to the local school district on system-level challenges in special education and related services. It is a collaboration and partnership with the district to better improve services in special education.

What SEPAG is not...

It is not an advocacy assistance group, a support group, or a special education parent teacher organization.
