### **FALCON PRIDE Student Recognition Award for November –**

**Recipients: *ZACHARY CHEN, CAILIN MORAN***

Both Cailin and Zachary have demonstrated strong character, leadership, and participation in the school community over the past month, and have been recognized by staff members for their accomplishments.

Nominated by Mrs. Canales, Cailin took time out of her schedule in December to help share her talents with the school and beautify the building. According to Mrs. Canales, "I would like to nominate Cailin Moran for the Falcon Pride Student Recognition Award. Cailin's seasonal window displays, like her heartwarming Charlie Brown Christmas scene and bold JTHS letters celebrating school pride, have brightened our hallways and lifted everyone's spirits. Her creativity and dedication to spreading joy through her art have brought countless smiles and created a welcoming, positive atmosphere that embodies the very essence of Falcon Pride."

Nominated by Mrs. Varner, Zach has consistently gone above and beyond in his participation in all events related to the Environmental Science Academy. According to Mrs. Varner, "Zach is a senior in

the Academy for Environmental Science and he is always willing to participate in the extra activities after school and help students within the academy. Zach is a leader in the Academy and consistently goes above and beyond in all that he does".

Both students will receive custom t-shirts, certificates, and a gift card to a local business in the community. Please congratulate both students when you see them!

They shared their current experiences and looked back on their time at JTHS to offer their advice to juniors and seniors. Their feedback and input was greatly appreciated and we look forward to continuing this program next school year.

## The Great Kindness Challenge –

Students will be participating in the **Great Kindness Challenge** during the week of January 27-31. They will be challenged to donate as many pre-selected items to support our Jefferson Township first responders. Homerooms who have 100% participation (meaning every student donates an item) will be entered into a drawing to win breakfast with our first responders.
