Mathematics – Preston Pietruszewski
Mathematics – Liam Reilly
Music – Frank Garruto
Science - Natalie Nunez
Social Studies – Jasleen Kaur
Technology - Cassidy Ball
Video Production – Emma Maynard
World Language - Erica Wurster

Music –

The JTHS Music Department is spending the month of March recruiting students and promoting the district's Band and Choir feeder programs. On March 3rd, Mr. Gugger and Mr. Flynn hosted an assembly for the 8th grade class that included an overview of JTHS music courses and a performance by the Band and Choir. On March 30th, the Band and Choir will visit White Rock and Stanlick schools to perform for all students enrolled in Band and Choir in 4th and 5th grade. The door is open at JTHS for students at any ability level to join the programs and learn how to play and sing.

DECA -

DECA had a great trip to the State Conference in Atlantic City. Emily Barlow qualified for a spot at the International Competition in Atlanta, Georgia and Lily Bacchus was a finalist in 2 different events. All of the students who attended did a great job and represented Jefferson proudly.

Science –

Members of the Science National Honor Society listened to Career Talks given by members of the High School Science Department. Mr. Szwartz, Ms. Johnston, Mrs. Kula, Ms. Montgomery, and Mr. Guziewicz related their career experiences, including education, certification requirements, and jobs held prior to teaching. Students asked thoughtful questions and found the experience very informative. Mr. Guziewicz is the Science National Honor Society advisor.

Spring Musical – *“Tuck Everlasting”*

The cast and crew of our spring musical were out in full force for set construction. Be sure to check out the musical, “Tuck Everlasting”, from March 25-27 at JTHS!

Homecoming is now Spring Coming!

Robotics -

Cheering on our Robotics Team as they compete at their first tournament of the year! Here are some members getting the robot ready to roll!!
