### **Diversity Committee -**

On Thursday, April 27, a group of five student leaders from JTHS (Aarya Patel, Megan Rothstein, Hayden Mills, Genesis Beltre, Ainesh Gobind) attended a student leadership conference hosted by Roxbury High School on Equity and Inclusivity in school. The students represented JTHS wonderfully, and brought back ideas from their conversations with peers about building an inclusive school community. The leaders plan on meeting with high school administration to turnkey these ideas at the high school, and will continue to serve the community on our high school Diversity Committee.
