## JTHS GOOD NEWS OCTOBER 2021

### September Students of the Month –

Business - Elisa Martinez  
English - Jaydeep Rana  
Health/Physical Education - Calen Reid  
Mathematics - Emily Barlow  
Music - Thomas Bubniak  
Science - Elizabeth Gruchacz  
Social Studies - Gabriella Meltzer  
Technology - Zackary Morgan  
Video Production - Justin Wyble  
World Language - Patrick Bubniak

### Congratulations!

Congratulations to senior **Morgan Hine** for earning a 5 on the AP English Language Exam last spring!

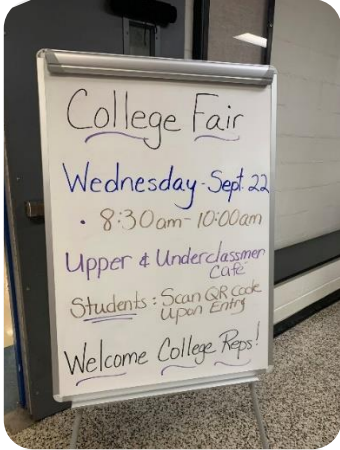

The Jefferson Township High School girls Volleyball team has a new career assist leader. **Emily Carcich** has a total of 1045 assists with 9 more games to go She is averaging about 17-18 a game. She is also 13 aces away from beating volleyball stat legend Julia Murawinski. 1000 assists in a career is a big accomplishment, especially for Emily who had a reduced number of games last season with 15 game cap due to Covid restrictions. 1000 assists has only been accomplished once before in Jefferson history. Emily is the second and will set the record pretty high for the next setter.

### Spanish classes -

Some Spanish classes at the high school begin each class with a social-emotional learning activity: they look in a hand mirror and make a positive statement about themselves in Spanish. This reinforces the target language (use of "ser" as a characteristic) and is a positive, uplifting start to class.

## College Fair –

The September "College Fair" was a huge success! Sophomores, Juniors, and Seniors attended, gathering information from approximately 50+ colleges and universities. A big "Shout-Out" to the cafeteria staff who once again provided the reps with breakfast including their famous "Apple-Cobbler."

## Homecoming Dance –

Homecoming tickets are now on sale! The Homecoming dance will be on Saturday, October 30th from 6 to 9 pm on the turf field. Masks will be optional on the field (but students must bring a mask to go inside to the bathroom).

## Environmental Academy –

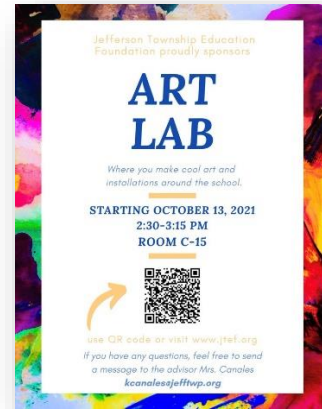

The US II Honors Environmental Academy Students began their fall "Climate Victory Gardens" in the C Wing courtyard of the High School. These cool weather crops will introduce students to garden concepts first developed during WWI and WWII but will translate to modern principles of sustainability and environmental responsibility.

## Co-Curricular Activities -

Co-Curricular Activity Registration is now open! Parents and students can visit <http://tinyurl.com/JTHSCLUBS> and click the icon labeled "High School Club/Activity Registration" to register for the year.

Fantastic first GSA meeting of the year today!  
It was wonderful to see students sharing their positivity and pride!

Interested in joining Art Lab? See the attached flyer for more information and reach out to Mrs. Canales with any questions!

## JTHS Golden Falcons Marching Band.

The weekend of October 2-3, the middle school and high school members of the Golden Falcons marched in the 101st Annual Sussex County Fireman's Parade and Competition. The students marched with the Pine Island, NY Fire Department.

The Golden Falcons placed 3rd out of all marching musical units, just below the Franklin Parade Band and the Morris County Police Pipes and Drums (two professional parade groups!) They did an amazing job, continually marching 1.75 miles for about 45 minutes.

Another FABULOUS WIN for the Golden Falcons Marching Band!!!!

Rain couldn't stop the Golden Falcons Marching Band from placing 1st at the Sparta Competition on Sunday, October 10. The members performed through the rain to beat out 3 other bands in their group for a 1st place victory.
