Adele Wildermuth (1/17)

Dr. Patrick Tierney, Superintendent

Dora E. Zeno, Business

Administrator/Board Secretary

Other District Stakeholders:

There are too many of you to list individually, but this plan would not be possible without the input of the many:

- **Parents**
- **Staff Members**
- **Community Members**

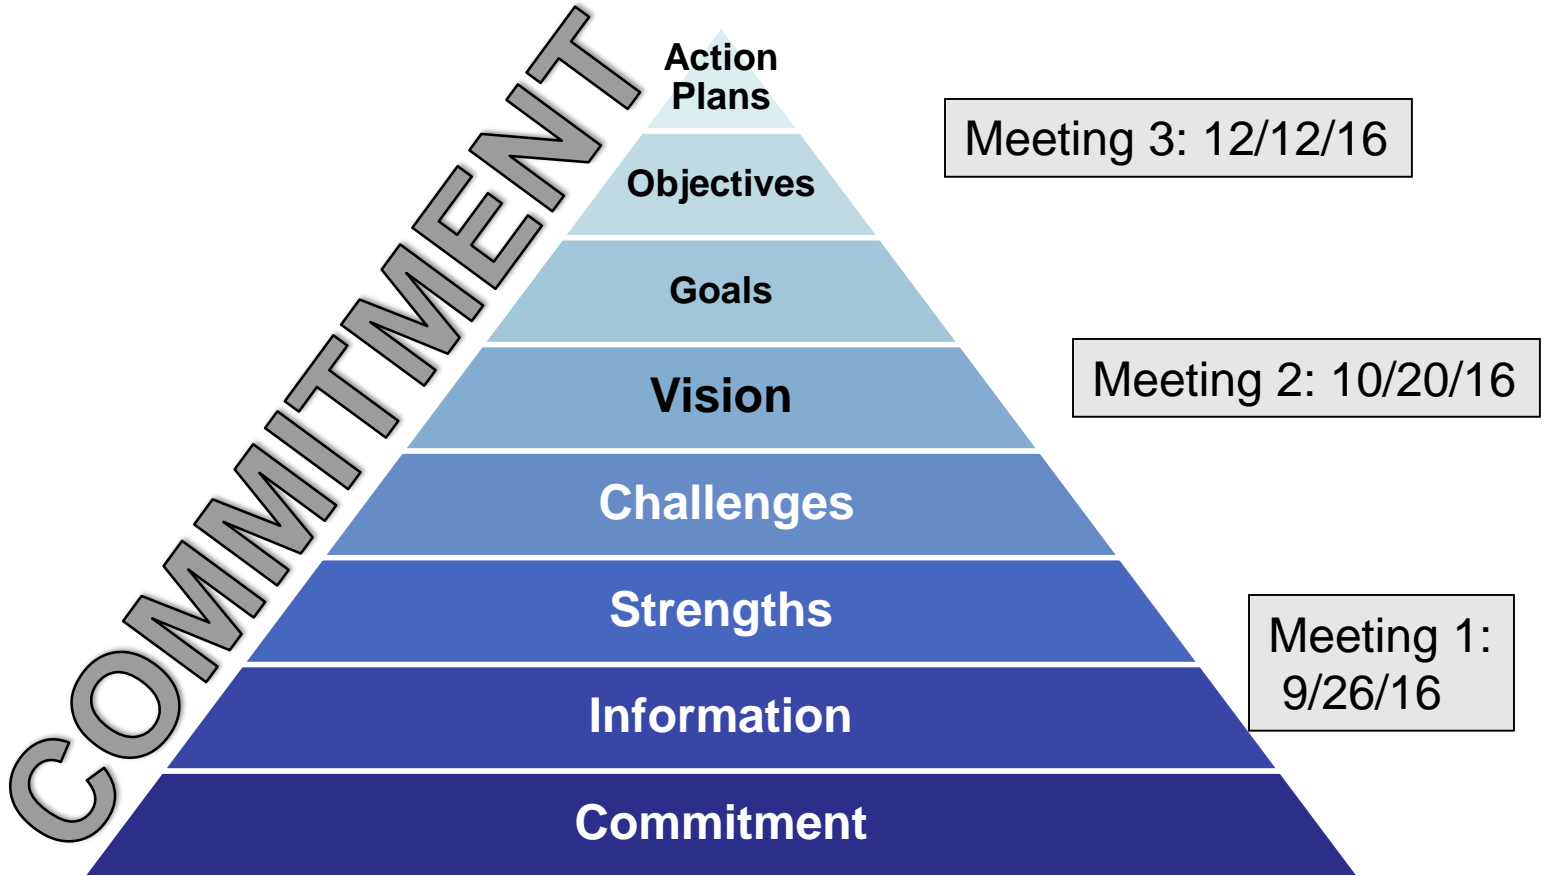

who generously gave of their time.

NJSBA:

Charlene Peterson, and Matt Lee

Components of Strategic Planning

Mission Statement

All students are held to the highest standards for academic, social and ethical behavior. They are motivated to learn, and be self-assured and confident individuals. Students are prepared to apply their skills and knowledge as productive citizens in an ever-changing world.

District Strengths & Challenges – Meeting 1

Some Strengths Identified

Beyond”**

**“Jefferson
Township
Students –
Always a
‘Step Ahead’
of
the Rest”**

**“Emphasizing
Mind, Body
and
Spirit in a
Technological
World”**

Some 5-year Visions from the Groups' Work

- Model technology program 1:1
- Sustainable school buildings
- Self-motivated engaged students
- Creative problem solvers
- Interpersonal skills Revenue generating
- Systems-based interdisciplinary approach
- Top-rated achievements

Common Threads from Meetings 1, 2

Community Involvement
Global awareness
Innovation Infrastructure
Technology Student Growth
College & career readiness
Social and emotional wellness
Experiential learning
Communication

4 Goal Areas Developed

- 1. Student Achievement**
- 2. Technology**
- 3. Climate and Culture**
- 4. Finance and Facilities**

Student Achievement

To meet every individual's learning potential by laying the foundation for success in the 21st century.

Rigorous and diverse curriculum to all students in all areas.

Balance all needs of the whole child

Post-secondary education readiness

To provide ongoing consistent teacher PD

Monitor, evaluation, and implement plans for growth

Technology

To prepare and develop students and staff for the ever changing 21st century digital skills.

Create meaningful technology experiences that supplies students with the tools for college and careers.

Increase technology (hardware/software) in K-12

Engage staff in PD opportunities to enhance knowledge.

Increase innovative learning opportunities to further enhance authentic learning.

Culture & Climate

To ensure students will demonstrate good character, cultural acceptance, and passion for lifelong learning.

Create productive citizens through service learning opportunities.

Promote social and emotional strength through positive and ethical behavior.

Promote compassion, empathy and tolerance to ensure cultural acceptance.

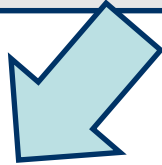

Increase effectiveness of communication in order to highlight student achievement.

Provide authentic and experiential learning opportunities.

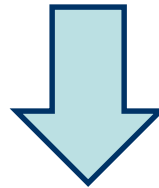

Finance and Facilities

To create a safe, sustainable school facility that will enable students to learn in a healthy, secure environment.

Implement the upgrades and recommendations made to all facilities by BOE approved firm.

Utilize community resources which foster student learning and provide real-world application.

Research and explore revenue-generating opportunities (i.e. grant writers)

Developing the Action Plans

Goal Statement:

Objective:

Major Activities	Staff	Resources	Timeline	Success Indicators
1.				
2.				
3.				
4.				

Work of Administration

Thank You
