And in other news...

Blood cancer is a disease that occurs in the blood.

Our blood is made up of red blood cells, white blood cells, and platelets. Blood cancer crowds out healthy blood cells so that they can't do their jobs.

Your donations will go to fund research to help find a cure for these horrible diseases. Please contribute as much as you can to this worthy cause. Next Thursday, there will be a CHipotle fundraiser for LLS. Stay tuned for details on how you can participate.

Now here's Kim...

Kim:

And remember,

The Spanish Club, Diversity Committee, and the French Club invite you to Service Night on Wednesday, February 20th, from 5-7PM. This night will be a fun way to experience all of the various cultures within our very own Jefferson Township community. Not only will it be informative and fund, but you, your family, and your friends can also join us for Tacos and Crepes after the service nights! Tickets for tacos and crepes will be sold for \$2 each in advance. See a Spanish or French Club member at the sales table in the cafeteria. A limited quantity will be sold for \$3 at the door. Don't miss out on a fun opportunity to enjoy the perfect salty and sweet mix while learning about the cultures right here in Jefferson!

And finally, Jefferson Java is happening today so stop by if you'd like some coffee, tea, hot chocolate, iced coffee, or one of the famous Falcon Fruit Bowls!

For all of us here at Good Morning Jefferson, thanks for watching and have a great day!
