Today is Day 2. But wait! Breaking news!!!
Today's Shout-Out goes to...

Ms. Lindstedt for being the coolest homeroom teacher! And Mr.D...sometimes! Zing!

Keep the Shout-outs coming!

Now back to Lily...

Lily:

Next Tuesday, March 3, 2020, there will be an infrastructure test for N.J.S.L.A. in English, math, and

science. All 9th,10th, and 11th grade students must report to school at the normal start to the school day and report to their testing room with their school issued laptop. All 12th grade students must arrive to school by 9:15 and sign into school and report to the upper class cafeteria.

Now stay tuned for a message from Morris County...

Lily:
