The final blood drive for the school year will be held on May 21st, which is a Day 1. It's not too early to make your appointment. Red Cross employees determine how many people to send to our school based on the number of appointments made. While walk-ins may be accepted, the best idea if you plan to give blood is to make an appointment. The NHS hopes to completely fill the schedule so that we have the most successful blood drive of the school year. Anyone who is over 120 pounds and 16 or older is eligible to donate blood.

(Key Tulip Trot)
