I'm Andrew Cooper...

They make a great holiday gift.

Are you looking for something fun, exciting, and different to do? Is your creativity feeling a bit stifled?

Well come on down to the Media Center during your lunch for the Gingerbread House challenge!

That's right, Build a Gingerbread House using any materials found in our Makerspace and see your work highlighted all winter long! How sweet is that?

Now here's Hannah...

And now, it's time for the Shout Outs!

Today's Shout Out goes to...

President James Monroe, who, on this date in 1823, proclaimed the principles known as the Monroe Doctrine, "that the American continents, by the free and independent condition which they have assumed and maintained, are henceforth not to be considered as subjects for future colonization by European powers.

Ka-pow!

Keep the Shout-Outs coming!

Back to you, Andrew...

Andrew:
