

April 2024

Student of the Month

ENGLISH

Anna McGovern

Anna has been selected as the English department student of the month.

Anna's teacher says...

“Anna is an outstanding student. She is always willing to share insightful remarks and unique perspectives on all class activities. While she reads all of our class texts, she additionally challenges herself by always having an independent reading text in her hands. Anna always makes me laugh!”

MATHEMATICS

Hannah Best

Hannah has been selected as the Mathematics department student of the month.

Hannah's teacher says...

"Hannah is a shining example of kindness, diligence, and dedication within her academic community. As a student, Hannah exudes warmth and respect towards her peers, embodying the essence of camaraderie and cooperation in every interaction. Her pleasant demeanor and genuine concern for others create an atmosphere of inclusivity and support within her classroom. Beyond merely meeting classroom expectations, Hannah consistently surpasses them with a fervor for learning that knows no bounds. Recognizing that true understanding often requires going the extra mile, Hannah actively seeks out additional assistance when needed, ensuring that she comprehends every topic thoroughly. Whether it's staying after class for clarification, scheduling one-on-one sessions with her teachers, or engaging in collaborative study groups, Hannah's dedication to mastery shines through"

SOCIAL STUDIES

Ana Sophia Munoz- Becerra

Ana Sophia has been selected as the Social Studies department student of the month.

Ana Sophie's teacher says...

“She is an outstanding student. Sophia has great attention to detail, especially when deciphering the difficult vocabulary in AP Psychology. Both her attitude and academic fortitude will serve her well as she plans to further her studies in college as a Sociology major.”

SCIENCE

Christian Warner

Christian has been selected as the Science department student of the month.

Christian's teacher says...

“Christian demonstrates an enthusiasm for chemistry that is truly inspiring. His passion for the subject shines through in his insightful questions and unwavering commitment to academic excellence. In the classroom, he exhibits a profound understanding of complex chemical concepts and eagerly engages with challenging material. In addition to his academic achievements, Christian is a natural leader in the laboratory. He excels in collaborative settings, demonstrating excellent communication skills and a willingness to support his peers. Their positive attitude and genuine love for chemistry have a profound impact on those around them, creating a supportive and dynamic learning environment.”

HEALTH/PE

Jake Prunty

Jake has been selected as the Health/PE department student of the month.

Jake's teacher says...

“Jake is fantastic in PE and Health. He contributes tremendously to the class and helps out other students and teachers. Prunty gets his work done in a timely manner and he participates in all activities and all class discussions in a positive way. Jake is such a joy to have!”

WORLD LANGUAGE

Irelyn Warner

Irelyn has been selected as the World Language department student of the month.

Irelyn's teacher says...

"Irelyn goes above and beyond on her assignments. For instance, two classes ago I was asking a question about social justice during the lesson, and at the end of the lesson she approached me and gave me a long response in Spanish that impressed me with her efforts to excel in the second language."

BUSINESS

Genevieve Sarpong

Genevieve has been selected as the Business department student of the month.

Genevieve's teacher says...

“Genevieve is a senior in my Marketing 1 class. Throughout the school year she has worked extremely hard in order to grasp the various marketing concepts and functions and to put them into practice. Her resolve and determination are great qualities that have helped her be quite successful in class. She is always on time, efficient and willing to help her classmates.”

TECHNOLOGY

Jeremy San Lucas

Jeremy has been selected as the Technology department student of the month.

Jeremy's teacher says...

"Jeremy is an exceptional student in both robotics class and club. He is hard working during class each day, always putting in his best effort. Jeremy will persevere with hard code, going back over and over again to get it to work! He's a great builder, engineer, and coder."

VIDEO PRODUCTION

Madison Mathews

Madison has been selected as the Video Production department student of the month.

Madison's teacher says...

“Madison Mathews is the Video production Student of the month for April, 2024! Madison has joined “Good Morning, Jefferson!” this year and has quickly learned many of the behind the camera roles as well as becoming one of the hosts. She has a strong ability to understand the technical aspects of the Studio and, with her production know-how, she can see the big picture and how it all works together. Maddie's dedication is very much appreciated and she has quickly become a key part of GMJ and the Video Department.”

MUSIC

Nathaniel Maniago

Nathaniel has been selected as the music department student of the month.

Nathaniel's teacher says...

“Nate has been an active member of the Vocal Music Department for the past 2 years. He has grown so much as an actor, singer, and leader within his section that he deserves to be recognized for his hard work. He went from never really singing to being one of our top basses and is always reliable and a role model for our younger singers. We are proud to have him in our vocal music ensembles and we will miss him next year. Job well done!!”

ART

Priscilla Sarpong

Priscilla has been selected as the Art department student of the month.

Priscilla's teacher says...

"I nominate Priscilla Sarpong as Art Student of the Month for her outstanding dedication, talent, and positive attitude. She consistently exceeds her own high standards, creating exceptional artwork and actively participating in class activities. Her classwork and personal sketchbook are impressive, reflecting her skill, creativity, and hard work. She's a pleasure to have in class, always asking questions, pushing herself, and supporting a creative environment."
