Teen Scene

Peer Leaders Needed

Below is a description of Teen Scene, but this program does not happen without Peer Leaders from the HS. We need 10th-12th graders interested in attending and helping run our events. Our Teen Scene members would rather deal with Peer Leaders from the HS than Parent Chaperones any day ;-). You will also help set-up and clean-up and run activities during the events. Please check out the event dates to make sure that you would be able to attend a couple if not all our events.

If you think that you would be a good fit, please fill out this google form.

Teen Scene Description: Jefferson Teen Scene, in conjunction with the Recreation Dept., provides positive opportunities for resident teens ranging from 6th to 9th grades. The aim of Teen Scene is to offer teens a place where they can gather with one another in a safe and supervised environment. Activities, programs, and special events take place at Camp Jefferson and/or other designated sites in town. JTTS offers these young adults opportunities to foster positive experiences and strengthen social bonds in a clean, drug-free environment where they can relax, take advantage of the activities/program and be themselves.

Most events take place on the 3rd Friday of each month

(unless stated otherwise and dates are subjected to change due to bigger school events in Jefferson)
