

## Requirements:

- ★ Child is potty trained
- ★ Child has to be at least the age of 3 by October 1st
- ★ Cost is \$300 for the year

## Our Philosophy:

We believe that preschool children should learn in an atmosphere of love and encouragement. They should be given varied experiences in age appropriate activities. The activities offered will enhance their physical, emotional, social, and intellectual development!

Teens N' Tots is a positive, safe environment for the development of young children's minds. It is a place where children can have fun while learning, and interacting with other children, as well as high school students.

### Contact Information:
