

JTMS Food Drive

Change the Game and Tackle Hunger

All non-perishable food items and toiletries will be happily accepted. We're asking for your help to tackle hunger and help supply our local food pantries. The donation table is located in the cafeteria. For every item you bring in, please fill out a ticket with the team you think is going to win the Super Bowl. We are also in competition with the High School to see which school can collect the most donations. The winning school will have bragging rights and win a plaque to showcase for the year!! Show support of your Superbowl pick. Show support of your school. Show support of those in need!!

**Donations will be accepted from
January 28th - February 8th**
