District Vision & Mission Drive All Budgetary Decisions

VISION

The district will be a leader in academic excellence while developing healthy, well-rounded, resourceful students who are positive, contributing members of local and global communities.

MISSION

We strive to foster academic excellence
by engaging students in meaningful
learning experiences that meet the
highest educational and ethical
standards, while supporting every
learning style – in a caring, inclusive, and
collaborative learning environment,
supported by the greater community.

2025-2026 Budget Goals

- Minimize the impact of state aid funding loss on student achievement and program offerings
- Maintain reasonable class sizes
- Continued support for internal academies
 - Multimedia, Broadcasting and Journalism Academy, STEM Academy & Business and Finance Academy
- Maintain district operations, sound facilities & safe transportation
 - Utilize Capital Reserve funds to begin sewage treatment plant upgrades at the HS/MS campus
 - Continue necessary purchasing to maintain district technology and transportation fleet
- Effectively leverage other available funding sources

Other Budgetary Responses

**Reflected in preliminary budget submission

- Fund PSATs in one grade level at JTHS
- Professional development account reductions
- Limit repairs of the physical plant to critical need only
- Overnight field trips at cost of parents (students can fundraise)
- Media program at elementary schools (students can still check out books)
- Elimination of G&T teacher in grades 1-3 (teacher differentiation in classrooms)
- Reduction of Basic Skills Instruction
- Increase in Pay to Participate fees

Tax Levy Incentive Aid

The NJDOE and legislators have proposed a Tax Levy Incentive Aid program for districts that are not taxing at the community's local fair share.

The maximum additional available levy for Jefferson Township Public Schools equals \$1,119,915 with the State contributing \$55,996 for a total increase to the budget of \$1,175,911. This provision also requires the use of available banked cap of \$154,313, as determined by the NJDOE.

The Board of Education carefully considered this provision since the district is out of options for planning for future budgets. Absent a sustainable and fair funding commitment from the State, the Board is left with few viable options to fill the growing gap between revenues and expenses. This additional levy will raise the base budget so the funds will be available next year as well as the subsequent budgets.

2025-2026 Budget Approval Process

- March 2025: The district received approval from the Morris County Office of the preliminary budget presented at March BOE meeting.
- April 28, 2025: Budget presentation outlining two possible funding scenarios.
- April 30, 2025: User-Friendly Budget will be posted on the district website.
- May 12, 2025: Final budget will be adopted by the Board and submitted to the Morris County Office and NJDOE for approval (if required).
 - Additional approval steps may required related to the Tax Levy Incentive Aid. Detailed procedures have yet to be provided by the DOE.
 - Any Department approval of the application, including the district's authority to increase the general fund tax levy and the award of tax levy incentive aid, is subject to the approval of the FY 2026 State appropriations act.
- May 14, 2025: A revised User-Friendly Budget will be posted on the district website (if required).

Funding Scenarios - Option A

Option A mirrors the preliminary budget submitted for approval following the March meeting.

Description	Amount	Percent Increase
24-25 Tax Levy	48,940,863	N/A
2% Increase over prior year	978,817	2.00%
Healthcare Waiver Adjustment	676,924	1.38%
Total	50,596,604	3.38%

Funding Scenarios - Option B

Option B utilizes the proposed additional tax levy increase and incentive aid in addition to the 2% cap and healthcare waiver adjustment.

Description	Amount	Percent Increase
24-25 Tax Levy	48,940,863	N/A
2% Increase over prior year	978,817	2.00%
Healthcare Waiver Adjustment	676,924	1.38%
Required Use of Banked Cap	154,313	0.32%
Tax Levy Incentive Aid - Local Share	965,000	1.97%
Total	51,715,917	5.67%

Proposed Uses of Tax Levy Incentive Aid

If the Tax Levy Incentive Aid application is approved by the DOE, in whole or in part, the following will be restored to the budget (listed in order of priority):

- Fully fund the cost of repairs to the sewage treatment plant upgrades at the HS/MS campus
- Add lunch and recess aides to ensure proper coverage and student safety
- Restore basic skills teacher
- Nursing coverage to address increased student medical needs for all district approved functions and provide for sufficient coverage for the length of time students are present at the HS/MS campus
- Restore one school counselor
- Continue to provide late bus runs
- Maintain extracurricular and athletic activities without increasing participation fees
- Purchase chromebooks required for online assessments to mitigate years of deferred replacement

Tax impact - What will it cost?
