

District Restructuring Plan

SY 2021-2022

Closing of Milton School

- Due to the decreased enrollment in our district, Milton School will be closed at the end of this school year.
- This provides the district with an opportunity to restructure the PK-2 grades housed in Milton, Cozy Lake, and Briggs.

Recommendation

Based on a thorough review of facilities, transportation, staffing, and district resources, the restructuring will include:

- Some sections of Preschool will move to Briggs.
- Our K-1 LLD and ASD classes will move to Briggs.
- Our Grade 2 LLD and ASD will move to White Rock.
- Grade two will move to Stanlick School and White Rock School.

Outcomes

- The Preschool program will be divided across Cozy Lake and Briggs, there will be more than one Preschool teacher in each building to collaborate with one another.
- This plan will give parity on both sides of town (PK-1 and 2-5).
- In the event that universal preschool is implemented, there will be room to grow in each of these buildings.
- The district can accept an increased amount of tuition students and the number of students who have access to preschool.
