This school calendar provides for 186 days, which satisfies the State minimum of 180 days and allows for up to six emergency closing days. If the number of emergency closing days used is either more or less than six, the calendar will be adjusted accordingly. If additional school days must be scheduled, they will be made up as follows: November Teachers' Convention (when canceled), April 6-10, beginning with the 6th, and June, beginning with the 24th. If all emergency closing days are not used prior to April 1st, schools will be closed, starting with May 22, 21, 20, 19, and 18. Please note that one emergency closing day will remain in the calendar through the end of the school year.
