#### **Restoration of 2009-2010 State School Aid Cuts**

**WHEREAS**, the Jefferson Township Board of Education recognizes that sound financial management is necessary to support the school program; and

**WHEREAS**, the Jefferson Township School District bases its budget on academic goals, current needs and data collected through a long-range planning process; and

**WHEREAS**, the district's prudent expenditure practices did not result in an excess surplus during the current fiscal year; and

**WHEREAS**, current state law requires districts to apply these excess funds toward the 2010-2011 school budget in order to control local property taxes;

**WHEREAS**, through its policy of sound fiscal management, the Jefferson Township Board of Education has placed in reserve for the current school year \$269,675 to ensure that maintenance and facility repairs do not affect its financial stability; and

**WHEREAS**, under Executive Order 14, the Governor has frozen the Jefferson Township school district's current-year state aid in an amount equal to its excess surplus and 25 percent of its capital reserve and other reserve accounts; and

**WHEREAS**, the aid cut unfairly targets the Jefferson Township School District and others that accumulated additional surplus and/or put aside reserve funds as the result of sound financial practices; and

**WHEREAS**, by forcing the expenditure of these surplus funds in the current school year, the Jefferson Township district will not have them available to control next year's school property taxes; and

**WHEREAS**, replenishment of reserve accounts next year will divert limited resources from the classroom; and

**WHEREAS**, Executive Order 14 will have a negative impact on property taxpayers and the education program in the Jefferson Township School District in 2010-2011. Therefore, be it

**RESOLVED**, that the Jefferson Township Board of Education urges the state Legislature and the Governor to pursue other means to resolve the state's current-year budget gap without jeopardizing school programs or penalizing property taxpayers in the future; and be it further

**RESOLVED**, that such an alternative should leave in place school districts' excess surplus, as well as their capital reserves; and be it further

**RESOLVED**, that this resolution be sent to Governor Christopher Christie, Commissioner of Education Bret Schundler, Senate President Stephen Sweeney, Assembly Speaker Sheila Oliver, state Senator Anthony R. Bucco and Assembly Representative Michael Patrick Carroll; and be it further

**RESOLVED**, that a copy of this resolution be forwarded to the New Jersey School Boards Association.

**K.15** Motion to approve resolution, as described below:

### **Suspension of 2010 School Budget Elections**

**WHEREAS**, on February 11, 2010, Governor Christopher Christie issued Executive Order 14, which froze current-year state aid payments in more than 500 local school districts, including Jefferson Township School District; and

**WHEREAS**, Executive Order 14 sets out a process whereby affected school districts would use their excess surplus and portions of reserve accounts to make up for the loss of current-year aid, a strategy that will have an uncertain impact on next year's (2010-2011) school budgets; and

**WHEREAS**, local school districts have been advised of four possible scenarios concerning their 2010-2011 state aid allocations, adding to the uncertainty over future school finances; and

**WHEREAS**, the Governor's annual budget message, through which official state school aid amounts for 2010-2011 will be released, has been postponed until March 16; and

**WHEREAS**, local school boards must finalize proposed budgets for placement on the election ballot by April 3, a span of less than three weeks; and

**WHEREAS**, the lack of complete information about state school funding and the compressed budget timelines will pose a burden to local school districts in developing intelligent, responsible budgets; and

**WHEREAS**, the scheduling of the school budget referendums on April 20 precludes the allotment of additional time needed for budget development; and

**WHEREAS**, proposed school budgets are controlled by a tax-levy cap and undergo thorough review by the state’s Executive County Superintendents, thereby ensuring efficient and responsible use of taxpayer funds; now therefore be it

**RESOLVED**, that the Jefferson Township Board of Education urges Governor Christopher Christie and the state Legislature to take necessary action to suspend the 2010 school budget elections; and be it further

**RESOLVED**, that the Jefferson Township Board of Education also urges state lawmakers to permit certification of school tax levies based on the budgets approved by local boards of education following the public hearings required pursuant to N.J.S.A. 18A: 22-10 et seq.; and be it further

**RESOLVED**, that the Jefferson Township Board of Education also urges state lawmakers to adjust the school budget calendar to extend timelines for the budget development, hearing and adoption process, thereby enabling school districts to develop responsible budgets necessary to meet state and local education goals; and be it further

**RESOLVED**, that this resolution be sent to Governor Christopher Christie, Commissioner of Education Bret Schundler, Senate President Stephen Sweeney, Assembly Speaker Sheila Oliver, state Senator Anthony R. Bucco and Assembly Representative Michael Patrick Carroll; and be it further

**RESOLVED**, that a copy of this resolution be forwarded to the New Jersey School Boards Association.

**K.16** Motion to accept and approve the following resolution in accordance with Travel and Work Related Expenses N.J.A.C. 6A:23B:

**WHEREAS**, The employees listed in Attachment A, are attending the named professional development seminar at such identified venues, and

**WHEREAS**, The attendance at stated function was previously approved by the Superintendent, or designee, as work related and within the scope of the work responsibilities of the attendee; and

**WHEREAS**, The attendance at the function was approved as promoting delivery of instruction or furthering efficient operation of the school district; and fiscally prudent, and

**WHEREAS**, The travel and related expenses particular to attendance at this function are in accordance with the state travel guidelines established by the Department of Treasury in NJOMB circular letter; be it

**RESOLVED**, That the Board finds the travel and related expense and the expenses particular to attendance at this previously approved function is necessary/unavoidable, be it further

**RESOLVED**, That the expense is justified and therefore reimbursable *(copy attached)*.
